Arab Journal of Forensic Sciences & Forensic Medicine (AJFSFM)

Aims and Scope

The Arab Journal of Forensic Sciences & Forensic Medicine (AJFSFM) is a peer-reviewed, open access (CC BY-NC), international journal, that publishes material in English and Arabic and is dedicated to the development and application of forensic science and forensic medical knowledge and research for the purpose of law and justice across the globe. The AJFSFM is an official publication (ISSN 1658-6786) of the Arab Society for Forensic Sciences and Forensic Medicine (ASFSSM) and is published biannually by Naif Arab University for Security Sciences (NAUSS), Riyadh, Kingdom of Saudi Arabia.

The AJFSFM has the fundamental aim of sharing knowledge, research experience, recent achievements, and new technologies in various disciplines of forensic science and forensic medicine among forensic scientists in Arab countries as well as the rest of the world. The AJFSFM aims to achieve a top position by publishing genuine, outstanding, trustworthy, and original research submitted by ambitious researchers, spreading to all scientists, pathologists, jurists, medicolegal professionals, and learners in the field of forensic sciences and forensic medicine.

The scope of topics covered in the AJFSFM includes but is not limited to: Forensic Pathology, Odontology, Histochemistry, Toxicology (drugs, alcohol, etc.), Forensic Biology (Serology, Human DNA profiling, Entomology, Population genetics), Forensic chemistry (Inks, Paints, Dyes, Explosives, Fire accelerants), Psychiatry and Hypnotics, Forensic Anthropology and Archeology, Fingerprints and Impressions, Firearms and Tool marks, White collar crimes (counterfeiting and forgery; questioned documents), Digital forensics; Cyber crimes, Criminal justice, Crime Scene and investigations of value to public health.

The AJFSFM publishes original contributions in Arabic or English under any of the following manuscript categories:

1. Original research papers
2. Case reports
3. Review articles
4. Rapid communications
5. Brief/Technical notes
6. Letters to the Editor
7. Book reviews
8. Conferences/Symposia proceedings
9. Society news
10. Announcements

Disclaimer of Warranties and Liability
