Arab Journal for Security Studies (AJSS)

About the Journal

The Arab Journal of Security Studies (AJSS) is an open access (CC BY-NC), peer-reviewed and free of charge journal dedicated to the development and application of security studies. The AJSS is a multidisciplinary journal addressing a wide range of studies emphasizing domestic, international and global security. The AJSS is an official publication (ISSN 1319-5425) published biannually by Naif Arab University for Security Sciences (NAUSS), Riyadh, Saudi Arabia

Aims

- The AJSS publishes innovative scholarly manuscripts that make a significant contribution to knowledge, theory and practice in the field of security studies.
- The AJSS publishes cutting-edge research which offers a significant, rigorous and original contribution to our understanding of security and global aspects of security studies.

Scope

The topics covered in the AJSS include, but are not limited to,

- Security studies,
- Terrorism, extremism,
- Law and criminal justice,
- Criminology,
- Security and humanities studies (forensic psychology, sociology and crime, security administration, and media and security)

Manuscript categories

The AJSS publishes original contributions in Arabic or English submitted from any part of the world that fall under any of the following manuscript categories:

1. Original research papers
2. Review articles
3. Letters to the Editor
4. Response to Letter
5. Book Reviews
6. Conferences / Symposia Proceedings

Disclaimer of Warranties and Liability:
